**Exceptional People Make Exceptional Projects
Get Ready to Nominate an Exceptional Person for the
2017 CBN HUB Awards!**

Do you know someone who is making an important contribution to brownfields?

The **CBN HUB** (Heroes Underpinning Brownfields) Awards recognize members of the brownfield community who make the exceptional projects we see every day a possibility.

The **HUB Awards** are given in three categories, relating to the three stages of brownfielders' careers:

- **Foundation:** Presented to a contributor to the Brownfield industry in Canada who has had a profound impact on how things are done today. Their work has provided a Foundation upon which the current practices and policies have been based. This is a "**career achievement**" award
- **Pillar:** Presented to a recipient who has proven to be a Pillar of Strength in a significant aspect of the Brownfield industry in Canada. They continue to provide valuable expertise and influence into the policies and practices that we are employing. The Pillar award is a **mid-career** award
- **Vision:** Presented to someone who is at an **early stage** in their career in the Brownfield Industry in Canada and who is already providing valuable insight into programs, policies or practices that will be improving how Brownfield redevelopment in Canada is completed
