ONEIA's Approvals and Accountability Event March 8, 2018

An approvals training session with the MOECC approvals team and a presentation / reception with Environment Commissioner Dianne Saxe

On behalf of CBN partner the Ontario Environmental Industry Association (ONEIA), you are invited to join a range of other environment and cleantech firms for an exciting and informative half-day training session on the MOECC Approvals process, followed by a presentation and reception with Environment Commissioner Dianne Saxe. ONEIA will host an "Approvals Academy" training session with the Ministry of Environment and Climate Change (MOECC) Approvals Team will see them address the main problem areas in applications. This dialogue will be open and productive and will focus on how we can make the approvals process work better for environmental consultants, their clients and for the Ministry.

This discussion will be followed by the annual address to the environment and cleantech industry by Environmental Commissioner Dianne Saxe. She will walk us through the highlights of her reports and take questions from the audience on a range of issues and areas of concerns. The day will then conclude with a networking reception.
