

Canada's Voice for
Brownfields Redevelopment

CBN Member Newsflash: October 2017 - #1

We're Honouring Canadian Brownfields Excellence November 22, 2017 - Will You Join Us?

Canada's brownfields community - developers, planners, owners, consultants, technology suppliers and governments - has been working hard over the past decade to turn brownfield property reuse into the *preferred* option and, while it isn't quite there yet, we've made enormous progress. As a member of the community, you've contributed to that. Now, it's time to celebrate.

The Canadian Brownfields Network, together with our partner Actual Media (publisher of ReNew magazine) will be presenting the Brownie Awards Wednesday, November 22, 2017 to honour this year's crop of winners, and we hope you'll join us!

The Brownies recognize the builders, innovators and visionaries who are dedicated to the rehabilitation of brownfield sites that were once contaminated, under-utilized and undeveloped, and turn them into productive residential, commercial and industrial projects that contribute to the growth of healthy communities across Canada.

The Brownies will be given in six project/program categories (REPROGRAM; REMEDIATE; REINVEST; REBUILD; RENEW; and REACH OUT) and one individual category (BROWNFIELDER OF THE YEAR). In addition, all projects/programs are eligible for the Best Large Project, Best Small Project and Best Overall Project awards. This year's nominees are, in true Brownie Award tradition, outstanding. Who will win? You'll need to attend the Awards Gala to find out.
