Directors:

- George Boire, Marsh Canada Ltd.
- Terry Boutilier
- Tami Fur, BC Ministry of the Environment
- Kevin Miyauchi, MIYA Consulting Ltd.
- Angus Ross, L & A Concepts
- Jeanette Southwood, P.Eng., Golder Associates Ltd.
- George Vincent, Canadian Petroleum Products Institute

Ex-officio Directors:

- Past President: Bonnie Prior, Canadian Real Estate Association
- Treasurer: Andrew Himel, Kilmer Brownfield Equity Fund

We hope you join in congratulating all Directors on their election!

Presentations from CBN's Inaugural Workshop Now Available On-line

CBN's inaugural brownfields workshop, *Land Use, Regulations and Liability Transfer*, was held in Toronto June 11-12, 2012. It featured:

- Legislative Updates from Ontario and BC
- Modified Generic Risk Assessment Update (Ontario)
- Soils Management Update (Ontario)
- Soils Management Panel
- Offsite Liability Panel
- FCM Update
- Transfer of Liability Panel
- Interim Use Panel

Participants found the various presentations to be interesting and informative, and overall reaction to the Workshop was very positive. We are pleased to announce that many of the presentations have now been posted in the members' only area of the CBN website — please click [here](#) to view them. You will need your user name (usually your e-mail address) and password to log in.

The panel discussions were followed by lively Q&A sessions, and we hope to have notes for those, along with the remaining presentations, posted shortly.

Thanks once again to our Silver Sponsors, the Canadian Petroleum Products Institute and Kilmer Brownfield Equity Fund L.P.

canadian brownfields 2012 making great places

sheraton on the falls/ niagara falls, ON/ october 4-5

The [Canadian Urban Institute's](#) (CUI) annual [Brownie Awards](#) program recognizes leadership, innovation and environmental sustainability in brownfields redevelopment across Canada. Working with key industry and professional organizations, the CUI presents its awards at the annual Canadian Brownfields conference, held each year in the fall.

CUI is now accepting nominations for the 2012 awards! To nominate a project/policy/program, [please download the guide and nomination form](#), and return your completed application to brownies@canurb.org by August 31, 2012.

The selection committee will announce all finalists in September 2012. The winners will be announced and presented at the 2012 CUI Brownie Awards ceremony and gala dinner that will be held this year on October 5, 2012 at the Sheraton on the Falls in Niagara Falls, Ontario.

BROWNFIELD renewal

Our friends from [Brownfield Renewal](#) magazine in the US have made a request that Canadian Brownfields Network members submit articles for consideration. Steve Dwyer, Editor of [Brownfield Renewal](#), is interested in submissions with an emphasis on brownfield/environmental remediation case studies from all regions of Canada. They have covered the Canadian market for years and would like to continue this exposure into the future. We urge you to submit article ideas directly to Steve at:
