The **Consulate General of the Netherlands**, with support from the Canadian Brownfields Network, Golder Associates, the Residential and Civil Construction Alliance of Ontario and Blaney McMurtry LLP, hosted "Soil Management Workshop: an Exchange of Ideas and Blueprint for a Soil Bank" in Toronto, February 19, 2013. The event was very informative and well-received. The presentations given at the time are now available on the Netherlands Soils Partnership (NSP) website:
